

Wiltshire Community Wind Energy

Salisbury Meeting Agenda

To be held at 7pm Thursday 17th July 2008
at the United Reformed Church, Fisherton Street, Salisbury

This is the second meeting of the new group and the **first to be held in the south of the county**. There will also be cars coming from the north of the county so please contact us if you would like transport. The group is still new and it is for the group to decide what to discuss! However to kick things off the agenda below has been prepared. However please feel free to make further suggestions before or during the meeting.

Further information on the venue and transport will be available from the web site (www.wiltshirewind.org.uk/news.htm), or please phone 07816 029901.

This is an important meeting where we can start to make real progress – **we would be very pleased to meet you** and if you can make it please let know by email (info@wiltshirewind.org.uk) or by phone.

1. Tea and coffee (please help your self) – please take the opportunity to write your name and contact details on the attendance list (up to about 7.15pm)
2. Introduction and what we have done so far– a short presentation by Jack Mason
3. The aims of the groups – a discussion to help define what we want to achieve and our long terms aims
4. Group structure – Hopefully a fairly brief discussion about how the group should be structured, and from the first meeting in Trowbridge it was felt that a meeting in Salisbury was the best next step . There has already been some debate about the size of the county and the practical issues associated with running a group that covers a large area. Also see item 7 below.
5. First activities – Talking is good but action is better! What should the group do? A few suggestions -
 - Site identification – **New tool now available!**
 - County wide questionnaire to determine Wiltshire's attitude to wind power (followed by a press release)
 - Displays in various town forums
 - Fund raising activities
 - Your suggestions.....

6. Working together – have you got time to help, and what could you bring to the group (some suggestions are provided at www.wiltshirewind.org.uk/howtohelp.htm)
7. Date and location of next meeting
8. 'Suggestions and how to help' questionnaire – allows for feedback on the meeting and how you can help
9. Thank you and meeting close (about 8.45pm)

Thanks – we look forward to seeing you
