Directions

34 Magnolia Rise is located in southeast Trowbridge – see <http://www.streetmap.co.uk/map.srf?X=386538&Y=157412&A=Y&Z=120> . For most people driving the best way to the house is from the A350. If you take the A350 to the cross roads junction next to West Ashton, and then take the West Ashton Road towards Trowbridge. Under a mile you reach a roundabout just before a BP garage on your right. Take the first left from the roundabout (i.e. do not pass the BP garage) onto Broadcloth Lane , and then take the next left again. This is Magnolia Rise. The house is almost in front of you, and the entrance is through a smallish front garden with a brown painted low fence. There should be a red Skoda Fabia outside. The house is just under an hour drive from Salisbury and 30 minutes from Chippenam. The house is 20 minutes walk from the train station.
